

PREP FOR A SUCCESSFUL MOVE TO THE CLOUD

5% US institutions *have selected* a modern ERP cloud solution

95% US institutions are *preparing* for a move to a modern ERP cloud solution

What's Your Status?

It's going to happen. Make the *when* and *how* of moving your core systems easier by instilling best practices early.

3 Kinds of *Campus Stakeholders* that Can Make or Break a Transformation

ENLIGHTENED ENTHUSIASTS

Change agents who say, "Let's do this!"

ENLIGHTENED DISILLUSIONED

Frustrated stakeholders who think, "Been there, done that."

UNENLIGHTENED DISILLUSIONED

The hopeless who exclaim, "I quit!"

Which are you?

Get It From the Top Down

Solicit high-level leadership and support to help drive change.

Share the Vision

Help constituents understand the solution benefits and socialize guiding principles.

Plan and Allocate

Understand the path to change. Provide time and resources to all involved.

Embrace Change

Anticipate resistance. Calm and inspire with early, frequent, and consistent communications.

Key Ingredients for a Successful Cloud Move

Find Out What Other Critical Factors Lead to Success.
